

Cleveland Mountaineering Club Agnes Spencer Memorial Hut - Grisedale Bridge, Glenridding

PARKING ARRANGEMENTS

VERY IMPORTANT

Car parking arrangements at the Hut must comply with those shown below.
This is essential to maintain good working relations with our neighbours.

With sensible parking it is possible to park 7 or 8 cars at the Hut. However, if you have more cars with you then you must take them back across the main road and park them in the lane end leading up to Helvellyn. Thankyou
